

Angle Looped Bow

Materials needed:

Wire - 18-20 gauge

Clippie of your choice, French clippie is preferred for the stability of the bow

Hot melt glue or Aleene's Tacky Glue

Spray fabric stiffener

White tissue paper or Paper towels

9" - 1.5" of your choice of ribbon, this also looks very nice when using a 2.5" piece of ribbon!

Take a 12" - 1.5 rainbow striped ribbon make, leave a 1" tail and make a 4" loop.

Take your left tail and fold it away from you.

Clinch it in the center and secure it well by wrapping your wire around the center a few times. Cut your tails off.

Take your 11" - 1.5" striped ribbon twist it and clinch it in the center and turn your bow over.

Place the ribbon on top of your bow and secure it will by wrapping a piece of wire around it. use a 6-7" piece of ribbon. You can cut your tails on an angle like a V or just across on an angle.
