

## Seven Looped Bow

Measure and cut 32" of 1.5" pink and white striped ribbon or ribbon of your choice!, start off making a bottom 3" loop.

2, 1.5" pink and white striped ribbon 5-7" long

Pull your ribbon downward and make another 3" loop.

take your ribbon, make a loose 8 type of shape.

God back and forth with your ribbon, making 3" loops until you have 6 loops made. Clinch it in the center and secure it with your wire.

Take a 5" of 1.5" pink and white striped ribbon, make a loop and wire it well.

Attach it to the back of the bow so now you will have 7 loops!

Flip your bow over and wire onto the back 2, 5-7" tails that you have either cut on an angel V shape or that you just cut on the corner /

There is your Seven Looped Bow in pink and white underneath the Paris Rose Bow!
