

Spirit Ties

Materials Needed

3/8" Of Grosgrain or Satin Ribbon cut in 26" pieces, cut 2 pieces of more for each color of ribbon that you use. Mix your colors of ribbon so that they will match your little Princesses school spirit colors!

Pony O or Elastic Band

Fray check the ends of all of your ribbons. Fold your ribbons in half, take 2 ribbons at a time place one on top of each other and tie them onto your pony o or elastic band, take another 2 and do the same thing until you are done.

Make sure you tie them nice and tight! She will look adorable with this in her pony tail or make two of them as piggy tails. If her school has an emblem or something cute like a button you can glue one on.
